

## **Great Harbors Resident Association, Inc.**

P.O. Box 988, East Falmouth, Massachusetts 02536

Neighbors,

It finally feels like spring is here and not a moment too soon. It was a rough winter in Falmouth and I'm sure, like me, you are all anticipating the summer of 2018!

The Great Harbors Board of Directors has been working to tackle the issues of having our roads replaced and the news that Great Harbors may be slated to have sewers installed in 2025. We have invited members of Public Works and the Water Quality Management Committee to the Annual Meeting to give us the most up to date information on the situation.

We also have a very important vote on the Agenda of the Annual Meeting related to changes to the By Laws. To help people fully understand these changes, we will be giving members an opportunity to come and ask questions about the By Law changes on Saturday May 26 at 3:00 in the Clubhouse. We will have Paul Barresi from Marcus Errico Emmer & Brooks available to answer questions. We hope to see you there.

This year's Annual meeting will be held at St Barnabas Church on 91 W. Main St. Please plan to attend this very important meeting where we will discuss the roads, By Law changes and ideas to start saving for the imminent road replacement project.

We will have our Opening Day Cocktail party with light refreshments at the Clubhouse from 6:00-8:30 on June 23. Please come and toast to the beginning of a wonderful summer at Great Harbors.

Regards,

Mary Hayes Doyle  
GHRA President
