

Rules are made to maintain order not to order people around.

Safety is our ultimate goal.

As a community it is our responsibility to ensure that all members of the Great Harbors Associations are safe and to uphold those rules and laws as presented by state and federal regulations. Such rules also help to maintain the efficiency of the pool's filters and drain systems. As a community we must work together to utilize our facilities are being used properly.

THE CPO (Certified Pool Operator) has the right to ask any patron to leave the pool or pool area if any violations to the set rules are not being followed.

LIFEGUARDS are responsible for enforcing rules and responding to emergencies, therefore, it is their duty to uphold the rules and regulations set by state and federal laws.

The following are the rules for the use of the pool:
